

Directions to the Finchley London Office

2nd Floor, Winston House, 2 Dollis Park, London, N3 1HF

Underground

The easiest way to reach us is to arrive at Finchley Central Underground Station.

There are 2 ways out of the tube station but it doesn't matter which exit you use. If you come out on Chaville Way walk up the hill (turn left out of the station) and turn right onto Regents Park Road.

If you come out on Station Road also walk up the hill (turn right out of the station) and turn right onto Regents Park Road.

Use the Pelican crossing to cross the road and then turn right into Dollis Park. You will see a Travelodge on your left across the road. The entrance to the office is just to the right of that entrance and the office is on the second floor.

..... Car

If you are coming by car put in the postcode N3 1HF into Google Maps/Waze/Apple maps.

Once on Dollis Park you should find parking along the road but beware of parking restrictions.

We have limited spaces for clients in our underground car park. Please arrange a carparking space if you haven't already done so before your meeting. Use the intercom to gain access to the building and then park in your allocated space.

..... By foot

Our office entrance is on Dollis Park which is off Regents Park Road on Finchley (A598). Winston House is a large white office building with a Travelodge, offices and restaurants underneath. The entrance to our office is on Dollis Park, a road just off the main road. Our office is on the second floor.

London Finchley Office: 020 8349 0321
